High Security Door Viewers

Featuring a number of impressive designs and numerous finishes the Door Viewers range at UAP Ltd will look fantastic on any door!

Door viewers (sypholes) are a great security accessory for your customers, as no door should be opened without first checking who is on the other side. Door security is essential to ensuring a home is safe and once quality locks have been fitted it's key to have a door viewer. Many homeowners overlook the importance of really seeing who is on the other side of the door and essentially this can actually be the best way to prevent unwanted guests, break-ins, and scams.

Made with a solid brass body

Comprises of 3 plastic lenses (glass lenses for stainless steel products)

Ensured to give crystal clear performance for years of safe, secure use

Additional extensions available if you need to make your viewer even longer
