FIRE RESISTANT LETTERPLATE

For 40–80mm Door Profiles

Ultra Flexible Springs

1 Hour Fire Rated

Outward facing, draft proof brushes

Outward facing brushes create the Anti-Vandal feature as it prevents vandals from placing unwanted items into the cavity

Outwards facing brushes also means better draught proofing and makes it easier to post letters through

An internal water seal prevents water getting into the door or panel, and stops letters getting wet

Conforms to many standards and testing requirements including BS EN 1303:2005

Blind bolts to the exterior

180° Opening

ANTI SNAP FLAP

ANTI VANDAL

ANTI BURGLAR
