

i-Plate[®]

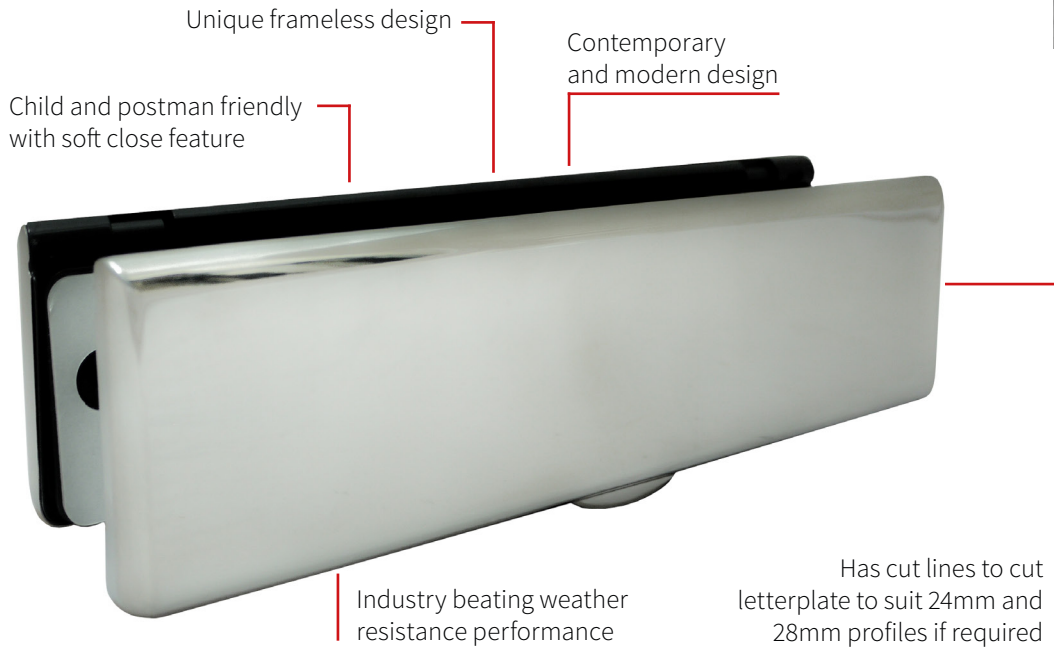

The Most Innovative Letterplate in the World

Patent Pending Soft Close Mechanism

Available in

304 grade stainless steel finishes

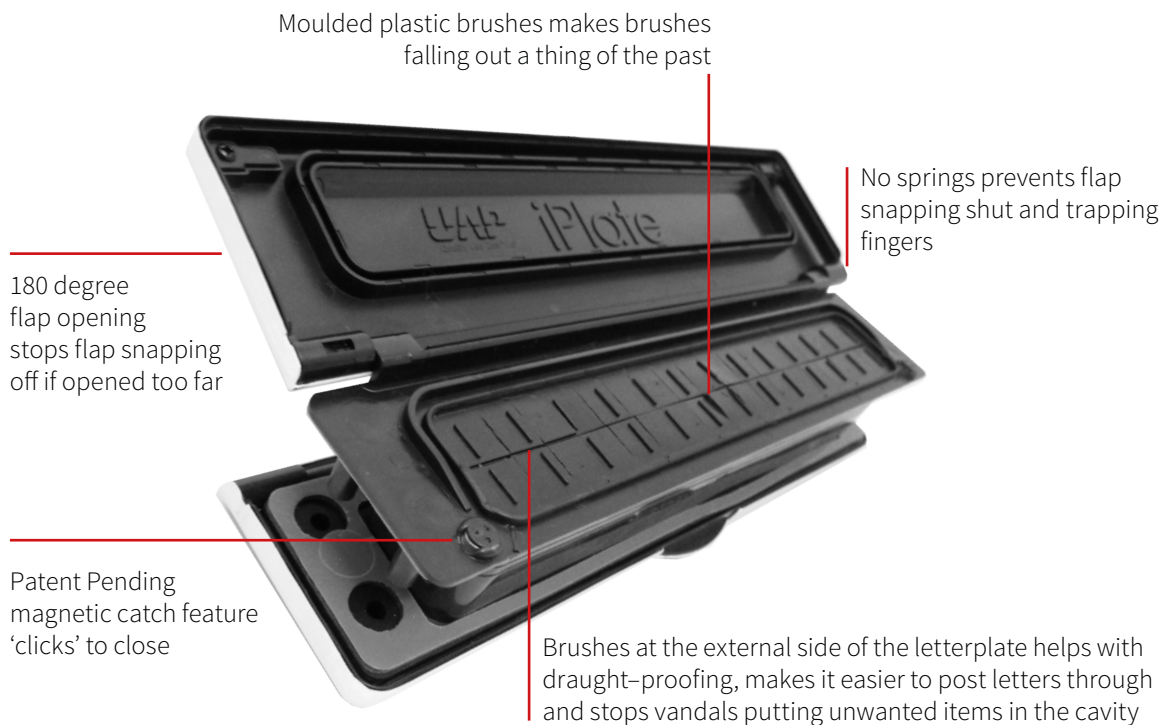

Unique frameless design

Contemporary and modern design

Child and postman friendly with soft close feature

Industry beating weather resistance performance

Has cut lines to cut letterplate to suit 24mm and 28mm profiles if required

Moulded plastic brushes makes brushes falling out a thing of the past

No springs prevents flap snapping shut and trapping fingers

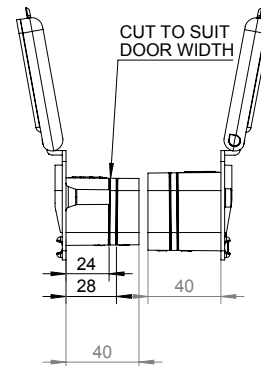

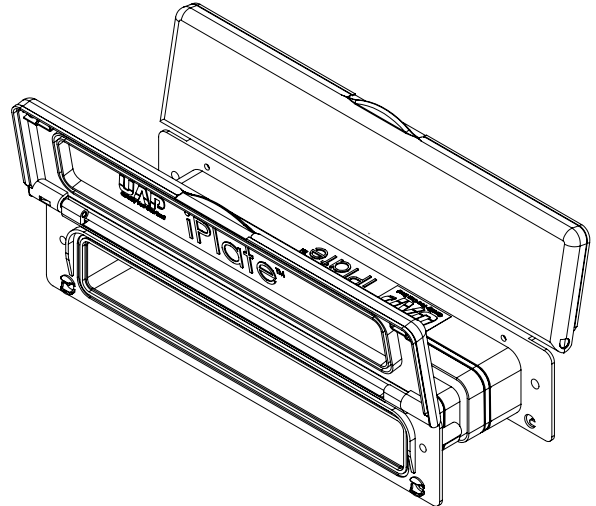

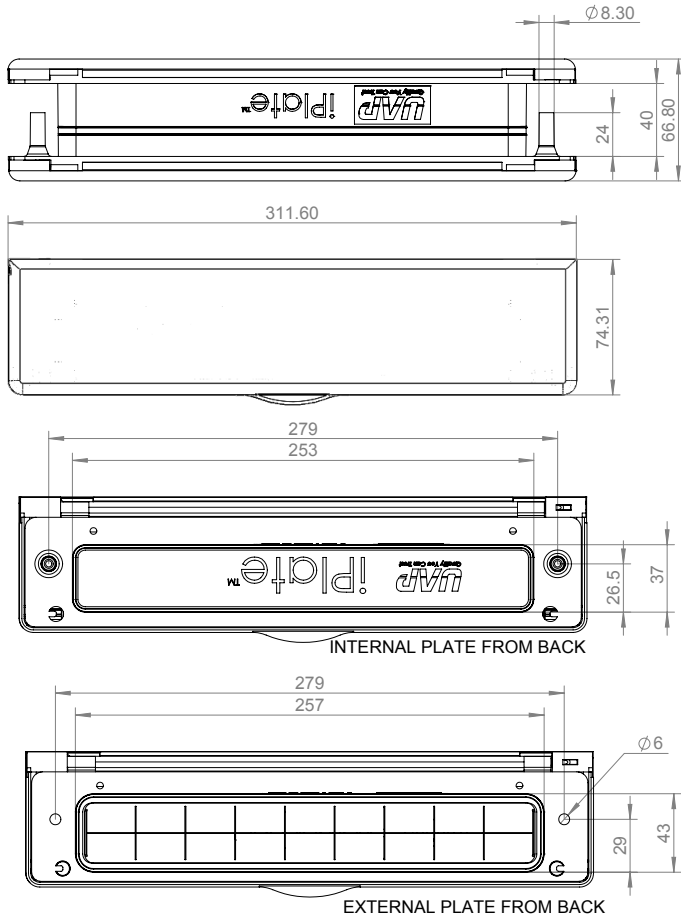

180 degree flap opening stops flap snapping off if opened too far

Patent Pending magnetic catch feature 'clicks' to close

Brushes at the external side of the letterplate helps with draught-proofing, makes it easier to post letters through and stops vandals putting unwanted items in the cavity
